

Launching Workshop of the Waste To Energy Research and Technology Council- Jordan Chapter

Jordan University of Science & Technology

26-10-2023 – Salahdeen Auditorium

Workshop Agenda

Time	Activity	Speaker
11:00- 11:30	Registration	
11:30 - 11:45	Welcoming Remarks	Prof. Hanan Al-Nimry Dean of Engineering
11:45 – 12:00	Global Waste To Energy Council- An Overview	Dr. Reda Kabbaj, Vice President, Global WTERT Council
12:00 – 12:15	Waste To energy potential in Jordan	Prof. Hani Abu-Qdais, Coordinator of WtE Council- Jordan Chapter
12:15:-12:30	Coffee Brake	
12:30 – 12:45	Biomass and Bioenergy in Jordan	Eng. Suhaib Ababneh National Energy Research Centre Royal Scientific Society
12:45 – 13:00	Assessing energy recovery potential from combustible organic waste in Jordan	Eng. Rama Abu Qamar
13:00 – 13:15	Life Cycle Assessment of Waste to Hydrogen Energy Technologies	Eng. Islam Serhan
13:15 -14:00	Ribbon Cutting of WtE Room at the Civil Engineering Department
